

CONTENTS

Summary	7
Introduction.....	9
Part I. The European Context of Inclusive Education	11
1. Research conditions.....	11
1.1. Problem context.....	11
1.2. Research objectives	13
1.3. Scope of research.....	16
1.4. Expected results.....	17
2. European legal and policy framework for inclusive higher education.....	18
2.1. The UN Convention on the Rights of Persons with Disabilities (CRPD) in the European context.....	18
2.2. European Union Strategy for the Rights of Persons with Disabilities 2021–2030.....	19
2.3. EU Directive on the accessibility of educational institutions.....	20
3. Higher education systems and inclusion in Europe.....	23
3.1. Models of inclusive education in European Union countries.....	23
3.2. Support policies for students with disabilities in different education systems.....	24
3.3. The role of universities in promoting accessibility and equity in education	26
3.4. Support programs and services for students with disabilities.....	27
4. Challenges and Barriers in Higher Education for Students with Disabilities in Europe.....	30
4.1. Barriers: mental, architectural, economic and legal, educational and professional activation	30
4.2. Turning barriers into opportunities	41
4.3. Digital and technological accessibility at European universities	44
Part II. Case study – Ireland – Dublin (based on own research results)	49
5. Conducting research	49
5.1. Research objectives and methods.....	49
5.2. Selection of universities in Ireland for analysis.....	53
5.3. Data collection and analysis methods.....	53
5.4. Research limitations.....	54

6. Analysis and results	55
6.1. Institutional strategies for inclusive education	55
6.2. ALTITUDE Project – for education accessible to all	56
6.3. Unlocking Inclusion – Toolkit for Universal Design in Higher Education (UCD – University College Dublin).....	57
6.4. Support Systems for Students with Disabilities in Ireland	58
6.5. Accessibility of Irish universities in terms of infrastructure and digital	59
7. A proposed method for identifying and improving educational conditions in Ireland.....	73
7.1. Process approach to inclusive education	73
7.2. Universal Design for Learning (UDL) and its application in Ireland.....	75
7.3. Use of technologies supporting accessibility.....	77
7.4. Model of cooperation between universities and government institutions	79
8. Implementation and development directions.....	82
8.1. Recommendations for universities in Europe based on the Irish experience	82
8.2. Proposals for political changes at the EU level	84
8.3. Integrating inclusive education into the labour market – lessons from the Irish system	85
Summary	88
Conclusions from monographs and research.....	88
Conclusions and recommendations	90
Directions for future research	91
Bibliography	94
List of drawings	97
Biographical note of the author.....	98
Review by: Dr Anna M. Kelly, PhD (University College Dublin Ireland).....	99
